PRO TIP

Go all out on a small quantity of your favorite luxury linens and place settings at your sweetheart or head table and opt for larger quantities of coordinating but more budget-friendly rentals for your guest tables. All eyes (and cameras) will be on you and the table you're sitting at, so if you're on a budget, you can splurge on the items you need in a smaller quantity.

PLANNING MANTRAS

Stay Organized: Keep all your plans, vendor contacts, and important documents in one place to minimize stress.

Communicate Openly: Clear communication with your partner and vendors ensures everyone is on the same page.

Delegate Tasks: Don't try to do everything yourself. Delegate tasks to family and friends to lighten the load.

Focus on What Matters: Remember the purpose of the day - celebrating your love with family and friends.

Be Decisive: Trust your instincts and make decisions confidently. Overthinking can lead to unnecessary stress.

"The best thing to hold onto in life is each other."

- Audrey Hepburn
